

IASB Credit Card Authorizations

In recent years, it was protocol that employees who were director level and above had an association credit card, due to the amount of travel they did, mostly for trainings and meetings throughout the state. Employees are required to provide receipts to accounting staff with credit card bills; regarding Kevin Schick's unauthorized expenses, the system caught those in January.

As of July 2009:

Card Holder	Limit
RICE RONALD M	\$ 10,000.00
